

NORTHERN MINNESOTA BUILDERS ASSOCIATION

The Northern Minnesota Builders Association is a building industry association serving five counties in Northern Minnesota; Lake of the Woods, Itasca, Koochiching, part of Aitkin and part of St. Louis.

NMBA Mission Statement

“The NMBA’s primary purpose is to promote professionalism and to educate, improve, and support the building industry in Northern Minnesota.”

There are two kinds of membership in the NMBA; **Builder** and **Associate**.

Builders include small, medium, and large licensed residential and commercial builders and remodelers.

Associates include subcontractors, lumberyards, banks, accountants, realtors, developers, and many other companies that have relationships in the building industry.

NMBA Code of Ethics

- Members shall constantly seek to provide better values for the customers they serve.
- Members shall at times, share their knowledge with fellow members in the public and in the best interest of those they serve.
- Members shall not obtain any business by means of fraudulent statements or by use of implications unwarranted by fact or reasonable probability.
- Members shall comply, both in spirit and letter, with rules and regulations prescribed by law and government agencies for health, safety and progress of the community.
- Members shall not perform, or cause to be performed, any act which would tend to reflect on, or bring into disrepute any party of the industry served by this association.

Legal Action Fund: The Legal Action Committee’s (LAC) objective is to participate in or generate litigation that will have statewide significance for the housing, residential development and building industry.

The LAC may be directly involved in litigation, submit an amicus curae brief discussing the impact of a court decision on the building industry, or take legal action regarding a pending legal or regulatory. It is BAM Board’s intent that the legal cases the LAC participates in will be generated from the membership. The LAC have a legal team advising them to determine if a case is worth consideration, but they need to hear from you and your local association before the LAC gets involved. Each association is assessed an annual fee for the LAC.

BUILDERS ASSOCIATION OF MINNESOTA (BAM)

Our mission is to help our members excel in the building and remodeling industry. The residential construction industry generates millions of dollars of the state’s economy and provides jobs for tens of thousands of Minnesotans. Working together, our members represent the industry at the State Legislature, work to improve building practices through active involvement in the code development process and provide education to develop best business practices for licensed contractors and their suppliers.

BAM currently serves 13 local HBA’s in Minnesota
